

# A Guide on Hemorrhoids and Homeopathy

**H**emorrhoids or sometimes called *piles* refer to a condition where the particular veins around the lower rectum and anus are swollen and swollen. It can happen to anyone - men or women and old or young. Hemorrhoids happen because there is a strain in the bowel movement. Others suffer from hemorrhoids because of aging, pregnancy, chronic diarrhea and also chronic constipation. It can be seen either internal (inside the anus) or external (below the skin encircling the anus). There are a few people who have hemorrhoids but they do not experience any symptoms. Bright red blood that covers the stool is one of the common internal signs of hemorrhoids. Take note, **internal hemorrhoids** could protrude with the anus which can be painful and irritating.
